1-strip plank, offset in larch or wood with equivalent traction. Since the planks have a large format, sapwood, colour variations and marked veins are allowed. Thin cracks filled with putty and medium-sized knots may also appear. No false knots provided. The top layer has a warm colour because of the heat-treatment.

Available sanded or brushed, natural, invisible or white oil.

Special finishes including hand planed, sawcut, distressed, etc. are made to order.
