Team's accreditation

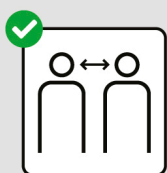

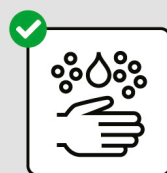

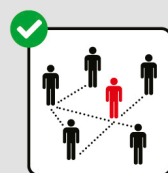

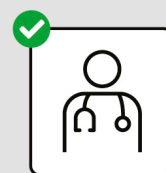

- Teams must upload a negative molecular (polymerase chain reaction – PCR) test on FIS Passport platform (available from 27/11/2020). The test can't be older than 72 hours prior to the arrival to Santa Caterina Valfurva.
- Communicate name, mobile number and e-mail of the team representative and the team doctor to lorettapiroia@fisi.org
- According to the answers provided in the FIS health questionnaire and if necessary, a rapid antigen test will be made at accreditation.
- Accreditations are issued only after all documents are checked at check-in point in front of the accreditation office.
- Accreditation is strictly personal and must be worn at all times.

Media accreditation

- To participate to the event, all media must **send prove of negative result to COVID-19 test. The test can't be older than 72 hours prior to the arrival to Santa Caterina Valfurva** and must be sent through the Event Builder Accreditation system or FIS Passport system (in case you're already part of this FIS platform). Failure to do so will result in accreditations not being granted or revoked.
- In addition to the upload of your test, please remember to fill in the questionnaire on Event Builder or Fis Passport platforms.
- In order to get the accreditation, please show the confirmation received via email through the Event Builder system once the Covid manager has evaluated and confirmed all data.
- Accreditation is strictly personal and must be worn at all times.

Hotel

- Hotels for teams are booked from the official days of arrival (December 3, 2020) to the official days of departure (December 6, 2020). In case team members arrive earlier or leave later, please inform the LOC.
- Booked rooms are available only after accreditation.
- The check-in will be carried out by the team representative for all members.
- Every team member is required to stay at the hotel allocated for the time of the event.
- Any question about accommodation must be sent to lorettapiroia@fisi.org
