

COVID-19 PREVENTION PROTOCOL

Nordic Combined 2022 Val di Fiemme

GUIDELINES FOR MEDIA

The **outbreak of the Covid-19 Pandemic** has been affecting all our lives for almost two years, and the whole world of sport has been strongly influenced by this health worldwide emergency, that all the organisers of sport events still have to face with proper and specific rules. Because of the development of the Coronavirus infection all over the world during the year 2020 and 2021, **many Covid-19 related restrictions** established by **the OC Fiemme World Cup for last season will still remain valid for the season 2021/2022**. Even if the situation all over the world seems to go slowly better, also thanks to the vaccination campaign, we all have to be very careful and respect scrupulously all the rules, in order to organise our events in the safest way possible.

After season 2020/2021, when spectators were not allowed to take part in our events, the OC has established that **spectators and guests of the Nordic Combined 2022 in Val di Fiemme will be allowed** to enter the competitions' venues, but in order to minimize the risk of infection there will be very careful controls: **only spectators with a valid Digital Green Certificate / Green pass (or an equivalent document)** will have the right to enter, according to the ordinance issued on July 29th 2021 by the Italian Ministry of Health.

The long weekend of the FIS Nordic Combined World Cup in Val di Fiemme will take place with all necessary safety measures.

According to the national and local rules regarding the Covid-19 protection and to FIS Covid-19 prevention guidelines, the OC has set up a specific protocol with some rules that all the stakeholders involved in our events have strictly to follow.

By making the request of an accreditation, every person accepts the content of this Protocol, and also the content of all the guidelines issued by FIS and related to Covid-19 safety measures, that are: FIS Covid-19 Media Guidelines, that you can find [here](#), and FIS Covid-19 World Cup Risk Management and Testing Protocol, that you find [here](#).

BASICS

Individual responsibility is the most important aspect for the safety of everyone.

Everybody must follow the basic hygiene measures, to prevent the spread of Covid-19 infection:

1. **Keep the minimum distance of 1m whenever possible (like established by the Italian Ministry of Health)**
2. **Wear a mask always inside and outside**
3. **Wash and disinfect frequently your hands**

JOURNEY TO VAL DI FIEMME

Before coming to Val di Fiemme please visit the [Italian Ministry website >](#) to be updated regarding the travel restrictions.

Do not travel to Val di Fiemme if you have symptoms of Covid-19.

During your stay in Val di Fiemme, please try to avoid any contact with other people outside the competition venue.

HOTEL

The OC can help you with finding the accommodation for the event. Inquiries must be sent to alessia.baudin@visitfiemme.it

During your stay in the hotel, you must follow the hygiene measures established by the local authorities for the tourist accommodation.

ACCREDITATION & COVID-19 TEST

The **number of Media accreditations** that the OC Fiemme World Cup can accept **is limited**.

The accreditation request for all media (press, photo, broadcasters) must be sent directly to the OC, filling in the [request form here >](#)

Every person who wants to get a media accreditation for Val di Fiemme Nordic Combined events must have a negative Covid-19 RT-PCR test (saliva/swab test) carried out at least 72 hours prior to the arrival at the accreditation office. **The result of the test must be uploaded to the FIS Passport** as soon as it is available, in order to allow the LOC to check it and issue the accreditation.

The above testing requirement is mandatory for everybody, regardless to immunity and vaccination status.

According to FIS Testing Protocol, people who are vaccinated or have recovered from Covid-19 won't need to test again before the end of the event. People who are neither vaccinated nor recovered will have to undergo an on-site test after the validity of the entry test has expired (2-

3 days). This on-site test must be booked autonomously by people who need it (you find the contacts of the available clinics here under.

Please remember that everybody will always be asked to complete the Health Questionnaire on the FIS Passport before coming to our event and that the PCR test must be uploaded on your FIS Passport as soon as the result is available, in order to allow the LOC to have enough time to check the information.

All the information uploaded on the FIS Passport will be checked by the OC, and if everything is correct, you will get an e-mail with the confirmation of your accreditation request. When you come to the Ski Jumping Stadium, you can show this confirmation e-mail to the OC access control staff. Showing this e-mail you can enter the main access of the stadium, but then, in order to have access to the Media Centers and the other facilities inside both stadiums, you have to go to the accreditation office and pick up your accreditation.

For big broadcasters' companies, please note that only one representative can come to the accreditation office to pick up all the accreditations for the entire group.

Together with your accreditation you will also get the Media parking pass for the Cross-Country Stadium and the Ski Jumping Stadium.

If you should need for any reason to book personally a Covid-19 test on-site (PCR or antigen), here there are the contacts of two clinics that can offer you this kind of service, booking it in advance:

CENTRO MEDICO FIEMME

Via Monte Mulat 17/a, 38037 Predazzo (TN)

www.centromedicofiemme.com

Tel. +39 0462 502533

centromedicofiemme@yahoo.it

DOLOMITEN TRAUMA CENTER

Località Piera 2, 38038 Tesero (TN)

www.dolomitentraumaclinic.com

Tel. + 39 0462 888014

info@dolomitentraumaclinic.com

TRANSPORT

You can find a lot of useful information about travel to Val di Fiemme [here >](#)

If you need to book your private transfer form/to airport you can contact the following companies:

Giacomelli Bus

www.giacomellibus.it

+ 39 0462 501927

info@giacomellibus.it

Dolomiti Taxi Rent – Fiemme Taxi

www.dolomititaxirent.it

+39 348 35 01150

nccboninsegna@gmail.com

Considering the strict provincial provisions for private transport, the free **shuttle service** between the Ski Jumping and the Cross-Country Stadiums **will not be offered**.

MEDIA CENTERS

Due to the **indoor capacity limitations**, the access to the Media Centers will be granted to a limited number of persons:

- **Main Media Center Predazzo - 50 working spaces**
- **Sub Press Center Lago di Tesero – 25 working spaces**

Each person will have to choose one working space at the beginning of the event and keep it for the whole weekend.

More info about Media Centers and catering services [here >](#)

Finally, the OC Fiemme World Cup warmly recommends to everyone to act in a responsible way and to follow strictly all measures and recommendations included in this protocol.

For your own safety and the safety of other people it is necessary to follow the instructions given by the OC staff/volunteers and the Covid-19 signage inside the competition venues.

The OC reserves the right to withdraw the accreditation to all those people who should not comply with the rules included in the present Protocol.

This protocol has been defined according to the regulations updated on December 23rd November, 2021

and the OC reserves the right to make any necessary change if some new rules, regarding Covid-19, will be released by the national or local authorities.
