

## COOP RUNNING TROPHY - RULES

The Coop Running Trophy is a special prize within the running event called "Marcialonga Running Coop" and therefore the rules of the race will be applied beyond the points specified below.

Participation is reserved for employees, directors and collaborators of COOP Italy and Europe.

Each participant can choose which race to register for between:

- Marcialonga Coop 21 km
- Marcialonga Coop 26 km
- Relay Race a 3 – in this case it is necessary to register the team and the single registration is not valid.

The admission fee is €30 for single registration and €90 for the relay. Part of the relay's fee will be donated to Airalz, the Italian Association for Alzheimer's Research Onlus.

Bibs can be picked up during the "Coop Gala", an event scheduled for Friday evening (details on the programme). To take advantage of the bib collection in this way it is necessary to have already sent all the documents required by the race rules (21km or 26km race: sports card or documents to request the ACSI card. Relay race: sports medical certificate or declaration of possession of this certificate).

In case it is impossible to participate in this occasion or in case of missing documentation, the bibs and race packs must be collected at the Moena Town Hall at the following times:

- Friday, 1<sup>st</sup> of September 3:00 - 7:00 pm
- Saturday, 2<sup>nd</sup> of September 8:30 am - 4:00 pm

The start is at 4.30 pm.

The awards ceremony will be at 8:30 pm at the Cavalese Palafiemme Hall.

The following rankings will be drawn up:

- Top 3 Men – 21km and 26 km
- Top 3 Women – 21km and 26km
- Best Female Relay
- Best Male Relay
- Best Mixed Relay

A special ranking will also be drawn up for each COOP Area to deliver the "Coop Running Trophy".

This ranking will be calculated considering the single performance of each competitor or the team of the relay race, on the basis of the placement compared to the number of competitors. The result for each runner or team is a percentage.

For each COOP Area, the average of the percentages will be calculated, adding a correction factor from 1% to 99% depending on the number of team members (1% for the largest COOP Area and 99% for the smallest one).

The COOP Area with the best percentage will be the winner of the Trophy.

The "Coop Running Trophy" will be awarded again the following year within the same running event. The COOP Area that wins the trophy for three years will be able to keep the trophy *ad vitam* and a new trophy will be up for grabs for the next edition.
