- The validity period of the Marcialonga certification is from May to September.
- There are two types of certification that can be achieved:

- At the Marcialonga office you can verify your certification. The secretary will check the validity of the stamps or the date of the selfies and then will issue the SILVER or GOLD diploma, together with a gift sponsored by Craft Sportswear or Marcialonga. If you cannot come in person to the Marcialonga office, you can send the booklet and/or the selfies via email at info@marcialonga.it. We will send you the diploma and the gift by mail.
- If you intend to participate at the Granfondo Marcialonga Craft, a €5.00 discount will be applied to your registration fee.
- Whoever obtains the GOLD certification is also entitled to the grid advancement at the next edition of Marcialonga Craft.
- Every cyclist interested in obtaining the Marcialonga Certification declares to comply with the current traffic rules and also declares to exempt the organisers of the Marcialonga from any liability, both civil and criminal, for damages to persons and / or property caused by the participant.
